

LIVE UNITED™

EASY WAYS TO RAISE FUNDS – AND FUN – DURING YOUR CAMPAIGN

- 1. Chili Cook-Off Contest:** Employees cook their favorite chili recipe and enter into the contest. Fellow co-workers make a donation to sample the chili. Assign judges and give a prize to the winner and display his/her photo in the office.
- 2. Employee Cook Book:** Collect recipes and into a customized cookbook for your workplace. Add some fun by having employee's children create illustrations for the cover. Copy the books, bind them and sell the books to anyone interested and donate the proceeds to United Way.
- 3. Health and Giving:** Offer yoga classes after work, have brown bag lunches, or offer a stress reduction class during lunch breaks. Ask the people providing the services to donate their time and have small class fees or have employees donate to participate.
- 4. Tailgate Party:** Bring a truck or tent to an employee area and sell hot dogs, chips, soda, and peanuts. To participate, have employees donate an amount to pay for the food or participation in a fun tag football employee game.

**LIVE UNITED –
and raise extra
funds - with
special events in
your campaign.**
