LIVINGSTON COUNTY

## LOCAL IMPACT.

Every donation to your United Way goes to help people right here in Livingston County.

## MEANINGFUL RESULTS.

We asked you where you felt United Way donations can do the most good and help the most people. We then found proven ways to help those in need — babies, students, aging adults and their caregivers, people in crisis and people with disabilities.

## UNITED & POWERFUL.

It takes all of us working together to build the kind of community for which we all hope and it takes your gift to United Way's Community Fund to help make that happen.

## A NOTE FROM OUR 2010 CAMPAIGN CHAIR AND VICE CHAIR

We are honored to lead this year's campaign because we truly believe in the power of our community and we are proud to say we LIVE UNITED.

By working together, we make our whole community stronger. Because we all win when a baby gets the best possible start in life, when a child succeeds in school, when families are financially stable and when emergencies don't result in long-term hardships.

It takes our whole community working together to reach our goals. And it takes your unrestricted support of United Way to ensure that the necessary resources are in place to meet those goals. Your gift to United Way along with the generosity of your friends, family and co-workers makes a real difference to people in need.

Reach out a hand to one and influence the condition of everyone in Livingston County.

Lend your voice. Lend your muscle. Make a statement. Make a difference. Join United Way this year and be part of a community working together to LIVE UNITED.
