2008 United Way of Eastern Orleans / Red Cross Campaign

Giving to United Way is one of the most efficient ways of providing charitable support. Your contribution goes where it will do the most good, helping those most in need in Orleans County. Local volunteers identify community needs, evaluate service providers, and assess the impact and results of programs. Simply put, United Way invests your donations in programs that get results.

By giving to the Eastern Orleans County United Way each year, you are using local dollars to provide local services. You are helping provide support to 11 programs that provide services that positively impact our community.

Thanks to your support of United Way...

- Children in Orleans County are given a healthy start in life, and are prepared to succeed in school.
- At-risk children are provided with mentoring services and programs proven to reduce substance abuse.
- Families are able to maintain a stable and safe home environment in times of crisis.
- Home bound seniors in Orleans County are provided with nutritious meals, delivered to their home.

If you already give, 50 cents more a week will do so much to help people in need.
If you've never given before, \$1.00 a week is a great place to start.
